The 750 Motor Club's legendary Birkett Six-Hour Relay Race returns to Silverstone GP Circuit this weekend for the 2023 running of this prestigious event that dates all the way back to 1951, and has seen former drivers ranging from Graham Hill to Steve McQueen, and Jim Clark to Chris Rea.

After various class and BMW-based awards over the past decade, it was one of Routec Racing's two squads who took home the coveted overall handicap victory last year with drivers Martin Roche, Martin Gadsby and Colin Whitehouse in a trio of BMW Compacts, and Routec are back once again for 2023; fielding both 'Routec Racing's BMW Triers' and 'Routec Racing's BMW Fliers' with a mixture of Coupe and Compact models from the Bavarian marque.

In addition to 'BMW Cup' and 'Team Six' comprising drivers from the BMW Car Club Racing Championship, 'Intersport Racing' and 'Prep'n'Lay/Geesport' are likely to be some of the fastest BMW-based teams with a plethora of M3s and other S54-powered Compacts, as will 'Top Gun' and 'Bavarian Ravers' M3 lineup, plus 'Team Legacy' with M3s and VW Golfs.

Having calculated the sum of 3 x 116i models for the second year running to come up with 'Team 348', expect decent pace from Simon Hopcroft-Lopez teaming up with Freddie Tatham and multiple 116 Trophy winner Matthew Highcock for an assault on the handicap crown, but fellow 116 Trophy frontrunners Louis Woodward, Toby Partridge and Richard Phillips will be looking to go head-to-head in 'One Too Many', as will 'Stand2 Hollarton Racing's six-driver equipe.

Of course, teams comprising hatchback BMWs once again include back-to-back Birkett winners 'The 3 Amigos', who will be hoping to lift the coveted overall handicap prize for a third time, however a glance at the driver lineup for fellow former winners 'Area Motorsport' means they won't be short of competition, not to mention habitual Birkett frontrunners 'Darkside Developments'.

Teams of cars from one-make tin-top championships often tend to yield good results, and 'DH Racing' will be hoping to do just that; the 750MC Type R Trophy preparer fielding four Honda Civics as 'TRT Beachcomber' aims to the same with six drivers, whilst Hyundai Coupes will also be looking to repeat past Birkett winning success under the guidance of Alex Cursley and his team of 'Ahh Seouls'.

On the subject of team names to raise an eyebrow, it wasn't tricky to award 'Run DDMC' the unofficial 750 Motor Club office honours for best team name; Colin Cooper's medley of drivers from Darlington & District Motor Club comprising BMWs and Peugeots, whilst 'Run Baby Run' returns to assume the title of longest-running team in the modern era. This year managed by Richard Benham; they bring a five-way entourage of drivers and models from 750MC's Sport Specials Championship, whilst 'Lock Stops and Two Smoking Tyres' sees multiple Toyota MR2 champion Shaun Traynor join forces with Jim Mew plus Traynor's 2023 title rival and eventual winner Adam Lockwood.

Caterham team 'Brake Dancers' also return as does a similar Seven-esque lineup from 'Six Sevens', 'Boss Cats' and 'BOSSed It', whilst this year sees a maiden team for 'Atomic Racing' comprised entirely of their manically quick Cup 200 cars. All-Porsche entries include six CALM teams, whilst Mazda sportscar enthusiasts will see four mostly Mk1 MX-5 based outfits; 'Mazda Dudes', 'Mazda Misfits', 'Five Go Mad in Mazda' plus 'BPV Ltd', and three BMW 74 teams join as 'Birkett Birks', 'Galower Build' and 'Dancing Woodzzz'.

Of course, no Birkett would be complete without some true eccentricity; this year including 'Intersport 2's Mini Hayabusa, 'Four Corners' Nissan Almera GTi, 'Futura Classico's Sierra RS500, 'Gavin Bristow's Vauxhall Tigra silhouette racer, plus the Jaguar XE Project 8 machines that form the basis of Eliza Seville's 'Formula Woman' entry. In terms of sportscars, look to see 'London Racers' Alfa Romeo 4C, 'Very Random Racers' Morgan Plus-4 Supersport and 'ES Motorsport's Lotus 340R.

When it comes to overall 'Scratch Race' honours, Rob Wheldon's RAW Motorsport outfit fielded the winner last time out; the renowned Radical preparer and driver teaming Ben Stone up with 750MC Bikesports Championship drivers Chris Preen and John MacLeod in three SR3 models to take the top spot. MacLeod and Stone are back to defend their crown; joining forces with former Radical champion James Lay in team 'RSR Motorsport' under the auspices of Roger Bromiley.

They'll likely go up against fellow sports-racing car specialist Josh Smith and his RJ Motorsport squads comprising Tom Walpole in a mighty Radical SR10 alongside multiple 750MC Bikesports race winners Ash Hicklin and Leon Morrell, then the 'RJ with Daytona Motorsport' team featuring Alastair Smart and his Radical PR6 with Matthew Jones and Charles Graham in SR3 RSX models.

That said; it has been proven on various occasions that the sharp end of the scratch race is not only the hunting ground of sports-racers – especially if the UK's late October weather for some reason doesn't turn out to be warm and sunny – something 'Capture Motorsport' will be hoping to capitalise on with a lineup of four Seat TCR cars, as will 'Datum Motorsport' and their trio of Ginetta G56 GTA models.

# TERRY & AVRIL STEVENS

## A THANK YOU

It's fair to say that over the years Race Timekeeping has progressed hugely from the days where massed ranks of timekeepers with banks of manual stopwatches diligently monitored the race from the top floor of a double decker bus! Timekeeping is however still a discipline that despite the advent of modern transponder timing relies extensively on the skilled and knowledgeable services of key volunteers to produce and process all the critical data that racers voraciously study immediately after any given session.

The 750 Motor Club have been incredibly fortunate that since 1999 it has enjoyed the services of Terry Stevens along with his wife Avril as 'our' timekeeping team. Earlier this year Terry announced his decision to stand down at the end of this season, and it seems only fitting that he and Avril bow out at the Birkett Relay meeting, an event that provides both challenge and satisfaction in equal measures for a Timekeeping team.

Terry's interest in motorsport started as a young boy spectating at his local Thruxton circuit back in 1968, less than ten years later he first became involved in a volunteering capacity, initially as a paddock marshal but crucially also as a runner between timekeepers of the era; taking information back to the team at race admin who would type up results by hand in the pre-digital era. Having been spotted on the bank at Thruxton producing lap charts, Terry was subsequently invited to meet and volunteer with the timekeepers at his local circuit, learning the ropes on individual clocks before using every generation of increasingly sophisticated equipment since.

Avril hails from a Welsh family with a rallying heritage. Exposed to motorsport from an early age, Avril also developed an interest in volunteering that led her to start timekeeping and it was this mutual interest that enabled her and Terry to meet. The pair forging an enduring partnership that transcended the timekeeping booth; the pair marrying in 1998 and enjoying many non-motorsport adventures, travelling extensively both around the world and within the UK, most recently in their familiar blue VW camper van that is a regular sight parked outside Race Control. In addition to motorsport, Terry has a long-standing interest in American Football – his team of choice is the Jacksonville Jaguars who played two matches in the UK earlier this month, winning both games. Terry and Avril made it to the first game, but such is their dedication to motorsport missed the second as they were at Oulton Park! The pair also have a keen interest in walking and wildlife and actively support chalk bed stream preservation in their local area as part of a monitoring team.

Having qualified as a timekeeper Terry rose through the grades, becoming a Grade A Timekeeper and later had the honour of being appointed to the select group of MSA International Timekeepers. Terry subsequently served as Chief of multiple BRSCC regions and the BARC Southern Centre, not to mention working as far afield as New Zealand, Malaysia and China before being appointed Chief Timekeeper of the 750 Motor Club back in 1999.

Since 1999 Terry and Avril have given up countless weekends and evenings not only attending our events but maintaining our timekeeping equipment and undertaking all the extensive pre-race preparation that ensures a smooth-running event. This loyalty to the 750 Motor Club has not only saved the club vast sums of money but also provided members with a continuity of service and friendly presence in the paddock that has been a vital component in the enduring success of the 750 Motor Club. Terry and Avril, thank you for everything and enjoy a well-earned break!

# PLUM PUDDING RACES

## BOXING DAY AT MALLORY PARK

As a well-loved mainstay of the club racing calendar, 750 Motor Club will once again be running Mallory Park's legendary Plum Pudding car races for the 2023 season – taking place as ever on Boxing Day – 26th December.

This traditional event is the ideal opportunity to dust off the cobwebs and enjoy one last race in the year, at an event that features some unique elements – not least of which is the qualifying procedure. This is set by the order of race entry, whilst the second race of the day is set with a complete reverse grid from the Race 1 results.

There are two race types: saloon cars/tin-tops, and sports/sports-racers (MX-5s and MR2s through to Lotus, TVRs, Radicals, Sports 1000). As a result, the event sees a huge variety of machinery in action throughout the day on Mallory's exciting 1.35-mile circuit layout - and two races for each type.

### Entry:

- The double-header entry fee is £170 for either class, or £205 if two drivers wish to share a car with one race each. Note that second drivers will also need to complete a separate entry form.
- To enter, download the entry form at [750mc.co.uk/calendar](http://750mc.co.uk/calendar) and return via email to [iaim@750mc.co.uk](mailto:iaim@750mc.co.uk) before the STRICT closing date/time of 9am Tuesday 19th December.
- 750MC membership is required for all drivers (just £30 for 12 months).
