

750 Motor Club

REGISTRATION PROCESS

Below is a step-by-step guide on how to register for a 750 Motor Club Championship or Series in 2026. Competitors wishing to register for either the 116 Sprint & Trophy, 5Club Racing MX5 Cup, Armed Forces Race Challenge, CALM All Porsche Trophy or Mighty Minis should register directly with the relevant promoter.

A registration is not considered complete until all necessary information is received. To register for any series or championship you must be in possession of a valid 750 Motor Club 'Racing Membership'

Before you start, please have the following information to hand to avoid any delays in applying:

- Motorsport UK race licence number
- 750MC membership number
- Transponder number (or type 'Hire' if renting from 750MC)
- Payment card (note we do not accept American Express)

Step One:

Purchase 750MC Racing membership (£95) if required, via the [750MC Website Shop](#).

Existing Members: Please ensure your membership is up to date to allow you to register.

New Members: Purchase a new 'Racing Membership' - note this may take up to 72 hours to process if applied for outside of regular office hours or during peak periods.
