

GARAGE PLAN

Note: garages have been allocated to try and minimise the “swapping” of garages over the course of the weekend and teams running multiple cars have been prioritised. Drivers testing on Friday and only racing on Sunday are welcome to setup in Area 2 (see Paddock Plan) from Thursday evening onwards and remain in situ until Saturday evening where they can occupy a garage. Drivers who have not been allocated a garage on Saturday are free to use Area 2 of the Paddock and will be notified of any free spaces if there are withdrawals. Any team not wishing to use the garages (space is very tight at Croft) is free to use Area 2 of the paddock.
