A new development after seven years saw Clio 197/200 models join the 182 models in one of 750MC's closest championships. The later generation cars run in a different class to the 182s, however all cars compete for the overall championship title.

VULCAN RACING CLASSIC STOCK HATCH

CHAMPIONSHIP

Arguably the formula that defines UK club motorsport to many, Classic Stock Hatch is the affordable and eternally popular formula for fans of retro hot hatches. Any pre-1992 hatchback with a sub-1400cc 16V or sub-1600 8V engine is eligible, whilst Yokohama control tyres, regulated minimum weights and success ballast for podium finishers keep the field incredibly close.

RACEPARTS 750 FORMULA

CHAMPIONSHIP

First introduced in 1949 by the 750 Motor Club, 750 Formula is the longest continually running race formula in the world. The regulations provide ample scope for the amateur to design and build their own car from scratch as well as develop skills in chassis and suspension setup. All cars use a mildly tuned and very affordable 1108cc Fiat FIRE engine and run on slick tyres.

GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:
Pete Harding – 07802 505588 or
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
