3 Passes

Electronic Tickets will be distributed to competitors via the 750MC. Competitors are responsible for downloading and printing these out prior to arrival at the circuit.

Please do not bring non-essential support vehicles into the Paddock.

4 Venue Access

Venue access times will be from 5.00pm on Saturday the 10th of October until 23.00 and from 07:00 on Sunday the 11th of October. If you arrive before this time, please park in the car park by the circuit entrance and make sure that ALL of the car park is used to prevent a queue forming in the village. The paddock must be vacated by 21:00 after the event has finished, unless prior authorisation from the venue has been secured.

5 Health & Safety

At all times whilst in the confines of the venue competitors should comply with the Health & Safety information explained within this document and the venue regulations.

6 Pit & Paddock Areas

Any Competitor/Team who may have stationed themselves in the incorrect place in the paddocks and has refused to move when asked by a 750MC official or their co-ordinator, will be reported to the Clerk of the Course.

6.1 Engine/Noise Pollution

Race engines must not be run before 08:45 and after 18:00 on any day.

6.2 Paddock

6.2.1 Drivers/Entrants are responsible for the removal of waste oil & containers from the venue

6.2.2 All domestic rubbish must be placed in the bins provided. Any scrap vehicle parts including tyres must be removed from the venue.

6.2.3 Under no circumstances must any paddock surface be broken in any way i.e. tent pegs/stakes etc.

FINAL INSTRUCTIONS

- 6.2.4 Hospitality is not permitted in the paddock/pit area without the express permission of the Circuit. The only exception to this is hospitality for competitors and official team personnel.
- 6.2.5 It is the responsibility of the Drivers/Entrants to control any used or replacement tyres. These tyres are not permitted to be given to any members of the public and/or sponsors and guests and must be removed from the venue at the end of the event.
- 6.2.6 Drivers/Entrants are responsible for ensuring that members of the public do not wander through their pit garages and into the pit lane. The use of Tensa Barriers, post and rope or post and chain is recommended for when rear garage doors are left open.
- 6.2.7 Drivers/Entrants must either use cable protection to cover trailing cables or tape the cables to the ground all the way along their length, using hazard tape (clearly tape will only work in dry weather so ideally cable protection should be used).
- 6.2.8 Please be aware that there is a site speed limit of 10mph.
- 6.3 Pitlane
 - 6.3.1 The outer lane or lanes are to be kept unobstructed to allow safe passage of cars at all times. The onus shall be on all drivers to take due care and drive at minimum speeds in the Pit Lane. At the end of each practice session and races, teams are required to remove all equipment from the pit lane to allow the other series teams' access to pit lane.
 - 6.3.2 The pitlane speed limit for all sessions will be 50kph
 - 6.3.3 The Pit Signalling wall must be kept clear of all team personnel at the start of each race.
 - 6.3.4 Refuelling in the pit lane is not permitted unless allowed for in the Championship/Series Regulations.
 - 6.3.5 Children under the age of 16 years are not permitted in the pit lane area.
- 6.4 Support Vehicles

The use of vehicles is not permitted unless towing a trailer for the purpose of transporting ancillary motor race equipment in the pit & paddock area. No competitor may use a support vehicle in the pit road at any time unless authorised by a race official. Any misuse of 'support vehicles' will be brought to the attention of the Senior Officials and appropriate action may be taken.

7 Signing On For Competitors

Prior to taking part in their FIRST event of the year each competitor must log on to the RevUp entry portal and upload a photograph of their race licence. This can be done by going to the 'Notifications' tab on RevUp dashboard.

If this is a driver's FIRST event of the year they must complete the various technical self-declaration sections contained within RevUp. The form relating to a driver's personal equipment such as helmet, overalls and FHRs must be completed by going to the 'My Details' tab on the RevUp dashboard and completing the 'Competition Info' section. The form relating to vehicle equipment such as harnesses and fire suppression systems must be completed by going to the 'My Vehicles' tab, then clicking on the appropriate car and filling out the 'Equipment Details' section. Prior to taking part in the event, drivers must sign on for the meeting. Sign on will open 7 days prior to the event start for drivers who have booked and paid for a given race. This can be completed by going to the 'Sign On' tab of the RevUp dashboard.

Alternatively, a PDF version of this form can be downloaded from the Motorsport UK website by going to the following link:

[Competitor-Signing-On-v1.0-P.pdf](#)

This must then be completed and sent to the 750 Motor Club office via email (iain@750mc.co.uk) at least three days before the event. Licences will not be physically checked at the event but will be checked with Motorsport UK. Please continue to bring your licence with you to all events as there is a possibility that spot checks may be made.

Upgrade cards that need signing by the Clerk of the Course need to be handed in to the Race Administration office in advance of competition starting.

DRIVERS WHO HAVE NOT COMPLETED THE SIGN ON PROCESS IN ADVANCE OF THE MEETING WILL NOT BE PERMITTED ON TO THE CIRCUIT.

8 Scrutineering

The following formulae have been selected for scrutineering at this event, all competitors in these championships must go to the chosen scrutineering location at the times shown below:

Day	Formula	Time	Location
Sunday	Historic 750 Formula	8.30	Scrutineering Bay
Sunday	Formula Vee	9.00	Scrutineering Bay

FINAL INSTRUCTIONS

Note: Once a vehicle has passed scrutineering and the driver's equipment (including second and third drivers where applicable) has been checked and passed, the driver will be issued with a sticker that must be placed prominently on the front of the vehicle or the windscreen (for Saloon and GT cars.)

Note: Helmets and FHR devices which do not bear a Motorsport UK (or MSA) approval sticker must be presented to the Scrutineers who will visually inspect the equipment and issue a sticker in accordance with Motorsport UK procedures.

Noise testing will take place at this event upon entry to the assembly area. All cars must report for noise testing prior to their first session on circuit. Competitors are advised to leave adequate time to ensure their car is noise tested prior to their first session. Noise limits are as per current MOTORSPORT UK Regulations.

There will be a designated flat patch in the scrutineering bay which will be clearly marked should drivers wish to check their vehicles prior to competition.

9 Eligibility

In addition to the Championship/Series Eligibility Scrutineers, eligibility may be checked by a member of the MOTORSPORT UK Technical Commission.

Due to an increasing number of helmet cameras being found all Competitors are reminded that NCR Ch.9 covers Competitors Personal Safety Equipment which falls under Eligibility regulations. The regulations regarding on-board cameras are unaltered and required per Championship Regulations. NCR Ch.9 Art.9.4 specifically states that:

"There must be no alteration to the structure of a helmet. Where a radio intercom is fitted this should only be done in accordance with the helmet manufacturer's instructions. Fitment of cameras to or within helmets by whatever means is not permitted unless an integral camera is provided by the helmet manufacturer and that model of helmet is approved under one of the accepted standards. Only glasses for the sole purpose of correcting eyesight in accordance with Chapter 6 Appendix 2 Article 6.7 (and/or sun protection) are permitted"

10 Drivers Briefings

There will be a physical driver's briefing at this event for the Swift Sport Challenge. This will be held in the Briefing Room (next to Race Admin.) These briefings ARE MANDATORY and will take place at the times indicated in the official Event Timetable document.

In order to assist competitors who have not raced at this circuit in its current configuration under MOTORSPORT UK regulations there will be First Time at Circuit Briefings. These will take place at 8.00am and 8.45am in the Briefing Room (next to Race Admin) on Sunday morning.

These meetings will cover useful information on features relevant to this circuit and how the meeting will operate. If a new driver has specific questions in the first instance, please contact the club via email.

11 Circuit Access

11.1 Vehicles in garages
N/A

11.2 All other competitors
You will access the circuit via the Assembly Area.

12 Qualifying

Qualifying will take place as per the timetable. It is the driver's responsibility to be ready at least 20 minutes before their timetabled session. Drivers should go to the Assembly Area 20 minutes before published times unless otherwise instructed and then when directed by the course marshal they should proceed onto the circuit. If there is adverse weather such as fog in the morning, practice may be conducted behind the Safety Car with drivers being gridded in order of championship position where applicable.

Double & Triple Header Races: Unless championship/series regulations stipulate otherwise, grids for the second race of a Double Header event with only one qualifying session will be based on the second fastest qualifying times and the grid for the third race will be set by the results of the second race.

13 Race Start Procedure / Grids / Safety Car

All start procedures will be in accordance with the Championship/Series regulations. It is the competitor's responsibility to ensure that they are ready in good time. Under ideal conditions the racing programme may be brought forward by up to 20 minutes. Grids will be formed as per Championship/Series Regulations and the terms of the Circuit Licence.

Where races are set for a time duration, the Chequered flag will be shown to the race leader the first time he passes the Finish Line after the time has elapsed.

FINAL INSTRUCTIONS

Standing Start

Cars will be pre-gridded in the Assembly Area and then released to the grid. The marshals will then direct you to the correct qualification grid position. For races WITH a Green Flag Lap (see timetable) once all drivers are stationary there will be a one-minute countdown; 30 second board and then the cars will be flagged away for the green flag lap. Once this lap has been completed and vehicles are stationary, the 5 second board will be shown, the red lights will be displayed and at some time between 2 and 7 seconds the red lights will switch off – signalling the start of the race. For races WITH NO Green Flag Lap after the 30 second board the 5 second board will be shown, the red lights will be displayed and at some time between 2 and 7 seconds the red lights will switch off – signalling the start of the race.

While on a Formation, Pace or Green Flag lap, if you stall or spin off and fall behind all other competing cars, you must remain behind those cars and start the race from the rear of the grid. At all times and especially on approach to the grid area for the race start, practice starts, harsh acceleration and/or wheel spinning, regardless of tyre type is for safety reasons strictly prohibited.

Should the completion of a green flag lap be more than 4 minutes, then at the discretion of the Clerk of the Course any time in excess of the 4 minutes may be deducted from the race duration.

Rolling Start

N/A

Safety Car Intervention (ALL RACES)

The Clerk of the Course will have the facility for the use of the safety car in ALL races. It is the driver's responsibility to make sure they are fully aware of these regulations. The safety car will access the circuit via the pit exit and safety car boards will be shown from the Start line gantry. The Safety will exit the circuit via the Esses.

14 End Of Track Session Procedure

14.1 All Races

At the end of each track session be it qualifying or the actual race, all vehicles must slow down after taking the chequered flag and leave the circuit [via the Esses and then proceed as directed by officials

14.2 Parc Ferme

Parc Ferme for all races will be adjacent to the Scrutineering Bay. Access to parc fermé is restricted to drivers only. Drivers under 18 must be accompanied in parc fermé by the parent or guardian who has signed on for the event.

Parc Fermé conditions apply at all times after taking the chequered flag until cars are released by the scrutineers. No work may be carried out on any vehicle without the permission of a scrutineer or official. Failure to comply with the above, or with the instructions of any official, may result in penalties as per NCR Ch.2 App.2 Art.1 being applied.

15 Judges

Judges may be appointed as NCR Ch.5 App.21
